

Dr. Eng. Claudio Bulgarelli

Born in Reggio Emilia on May 21, 1940

Entrepreneur

Performed activities

Graduated in Mechanical Engineering in Bologna.

Associated with the SOI Business Consulting Firm in Turin of Eng. L. Viglino, he has worked in some companies including the Lonati di Brescia.

Since January 1971 he has been appointed Manager and Plant Manager of Bonfiglioli Riduttori in Bologna. From 1974 to 1993 Sole Director and 50% shareholder with Mr. Clementino Bonfiglioli, of a Company of Mechanical Speed Variators (products similar to those of Bonfiglioli Riduttori).

In the following years, in addition to the company with Bonfiglioli, the family company Fintel S.r.l. of which he holds the position of Chairman, he has invested in some companies and in two of which he has assumed the office of Chairman and Chief Executive Officer managing them directly:

- Imi Ferrara precision mechanics company (bearings for motor vehicle water pumps), from 1985 to 1994
- Unifill manufacturer of automatic machines for containers and liquid filling, from 1987 to 1995

The three companies have been very successful both in economic and production terms.

At the same time he participated in the Board of Directors of the various companies of diversified commodity sectors (including Tecnogas di Gualtieri RE) and carried out Management and Organizational Consultancy activities mainly for the German company ZF Friedrichshafen AG until 1993.

In 1993 Fintel S.r.l. has acquired 100% of Hydrocontrol S.p.A., a manufacturer of Hydraulic Directional Valves for Cranes, Earth Moving Machines and Agricultural Machines.

In Hydrocontrol he held the position of Chairman and Chief Executive Officer until 2015

Hydrocontrol has increased its turnover 12 times compared to the year of acquisition, and between 2003 and 2007 production branches were opened in China and India and a commercial branch in the United States.

These companies, created not to relocate but to serve the internal market, have been very successful from the outset

Hydrocontrol was sold to the Interpump Group, listed in the STAR segment, in May 2013 and Fintel became a reference shareholder of this Group.

- Board member of Walvoil S.p.A. (Interpump Group) until 2017.
